Jonas Zanone is an Associate in our Banking and Finance Group in Geneva. He represents and advises Swiss and international clients across a broad spectrum of financial regulatory and contractual matters, as well as complex financing transactions. His clients include banks, financial institutions and intermediaries, asset managers, fintech companies as well as other legal entities and individuals.

He regularly advises executive bodies and legal teams on a broad range of commercial matters, AML compliance, corporate governance, sustainable finance, outsourcing and consolidated supervision. His practice includes FINMA licensing as well as Swiss market-entry proceedings.

He also supports companies with their incorporation and throughout their corporate life cycle, and has significant experience advising corporate clients and individuals on data protection compliance and on international sanctions and asset freezing measures.
