Nathan Philémon Matantu is an Associate in the firm's Information and Communication Technologies, Intellectual Property, Life Sciences and Dispute Resolution groups in Geneva. He advises entrepreneurs, companies and international groups on digital law matters, with a particular focus on data protection, technology, intellectual property and competition law. He assists financial intermediaries, life sciences companies and other regulated entities in implementing new business models in compliance with the legal and regulatory framework.
He regularly represents clients before civil, administrative and criminal authorities in the aforementioned fields, as well as in contractual, commercial and tort disputes and white-collar litigation. He is also active in the field of internal investigations.
In addition, he is writing a PhD thesis at the intersection of new pricing technologies, digital competition law and tort law, and publishes in his areas of expertise.
